Hello to our certified HB community,

We are thrilled to announce this opportunity for you to reconnect with our global Holotropic Breathwork community in the 'otherworldly' environment that is the H.R. Giger Museum in Gruyères, Switzerland. As many of you who attended in 2008 know, this rare opportunity to be with Stan Grof and Hansruedi Giger in the medieval Chateau St. Germain is not to be missed

Let this event serve as a powerful catalyst for visionary collaborators to converge, tapping art's endless potential for healing, community and transformation.

FANTASTIC ART: CREATIVITY AND CONSCIOUSNESS

H.R. (Hansruedi) Giger is recognized as one of the world's foremost artists of Fantastic Realism. Stan's deep admiration of Hansruedi's work makes this an intimate exploration of visionary culture through art, dialogue and breathwork.

In addition to the interactive sessions with Grof and Giger, there will be four Holotropic Breathwork sessions led by Tav Sparks. Any participant that wishes to float instead of breathe may do so. Please note that Stan will not be present for the breathwork sessions.

WHEN: November 3-8 2012

WHERE: H.R. Giger Museum www.hrgigermuseum.com

Chateau St. Germain

1663 Gruyères

Switzerland

Tel: +41 26 921 2200 fax: +41 26 921 2211

On June 20, 1998 the MUSEUM HR GIGER opened its doors in the medieval Chateau St. Germain, in the 400-year-old historic walled city of Gruyères, Switzerland. As the

permanent home to many of Giger's key works, the museum houses the largest and most impressive collection of the artist's paintings and sculptures, furniture and film designs, dating from the early 1960's to the present day. The museum's top floor houses a permanent display of Giger's own private collection and the Museum Gallery where Giger curates one-man exhibitions on the work of other artists. The museum is a work in progress and a Giger Bar, next door to the museum, is completed.

LODGING: The workshop fee does not include room or meals. We have arranged special rates at two hotels in Gruyères. However you are welcome to stay wherever you choose, and camping is also available in the area.

HOTEL ST GEORGES www.st-georges-gruyeres.ch . Rooms from 130-320 SFR (10% discount available to participants, please quote 'Giger Museum' when booking).

HOTEL DES CHEVALIERS www.gruyeres-hotels.ch chevaliers@gruyeres-hotels.ch
Standard room, double is 70 SFR per person

HOTEL DE VILLE www.hoteldeville.ch info@hoteldeville.ch
Tel: +41 26 921 24 24 Fax: +41 26 921 3628
Single room 110 SFR, double room is 150 SFR per room (75 SFR per person), breakfast included (special rate - please quote 'Giger Museum' when booking).

MODULE COST: We have reserved this special week as an advanced training for certified facilitators. The cost is \$900 USD and registration is limited to 40 people because of the room size, so please register early if you wish to come. Due to the tremendous interest in this event already, you must send a registration form and deposit of \$450 to the GTT office in order to reserve your place.

TRAVEL: The website www.gruyeres.ch has complete information on how to get there. The link to the English version of the travel page is http://www.la-gruyere.ch/en/navpage_list-GruyeresFR-AccessTranspFR.html

REGISTER: A registration form accompanies this letter. You can return it by email, fax or mail, but please do not send credit card numbers by email. For more information please email gtt@holotropic.com or call the office at 415-383-8779.

We hope to see you there!
