

TRANSPERSONAL TRAINING

ADVANCED TRAINING FOR CERTIFIED PRACTITIONERS:

White Sulphur Springs, Saint Helena, California

June 25-July 2, 1993

"HEALING FROM ABUSE, TRAUMA, AND MULTIPLE PERSONALITY SYNDROME"

This advanced training workshop will be a rare opportunity to hear experts in the field, dialogue with them, discuss our own work, and do breathwork together. This is the first advanced training event in two years. These stimulating topics have been recent subjects of interest and conversation in the Holotropic Breathwork community. Stan and Christina are excited about all of us exploring these ideas together, including how they relate to HB and transpersonal psychology. They also want to encourage certified practitioners to stay current in their practice by attending advanced trainings such as this one. It promises to be a popular event, and spaces are limited, so please register soon. Registration forms and details have already been sent, but if you need them again, please call the office at 415 383-8779/fax 415 383-0965. Registration deadline is May 28, cost is \$1040 for a shared room, \$1125 private.
