

#### PAYMENT

You will need to send your deposit/fee as soon as possible, to us in Sweden (unless you are travelling from the US; then you may prefer to pay GTT in California; see registration form). All registration forms - on the other hand - are to be sent to us in Sweden (address below). All the information you need concerning fees, dates etc is on that form. If you are travelling from the USA and paying GTT in California, you may pay by check or by wire transfer (see registration form for details). Those who are paying to Scandinavia: please make your payment to Barbro Bransome's Swedish personal postgiro account ("personkonto"), number 60 02 18-3983, in her name, using the postgiro slip we have enclosed if possible, or copying the relevant information to another form if your post office or bank requires this. Mark your payment slip with 'GTT' and the name(s) of the module(s) for which you are paying. Pay in Swedish crowns only and please be sure that this amount arrives at the account above. To repeat the fees and dates: 6,000 Swedish crowns or US\$900 per module; half the fee as a deposit, to arrive at the account before February 15, the remainder to arrive no later than February 28, 1997.

#### CANCELLATION POLICY

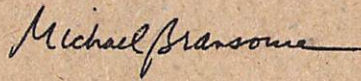

This registration is binding; reimbursement after January 31, 1997 is contingent upon my space being taken by another participant, and after February 21 is allowed only in case of family emergency or illness. 250 Swedish crowns per module is a non-refundable processing fee.

#### SCHOLARSHIPS

A limited number of scholarships (4) are available in exchange for helping out with dishes and cleaning (about an hour a day); if you need this then apply on the registration form.

If you have questions concerning the modules, travel or accommodations or would like to talk for any other reason, we are available most evenings at the numbers above. Cary can also be contacted at the California office (+1 415 383 8779).
